

## Shionogi Certified as Health and Productivity Management Organization 2020 for Fourth Consecutive Year

---

**OSAKA, Japan, March 6, 2020** - Shionogi & Co., Ltd. (Head Office: Osaka, Japan; President and CEO: Isao Teshirogi, Ph.D.; hereafter "Shionogi" ) has announced that Shionogi was certified as "Health and Productivity Management Organization 2020 (White 500)" (large enterprise category). We have been recognized as "Certified Health and Productivity Management Organization" for four years in row since 2017.

Same as previous years, we implemented various measures in FY2019 to achieve five key points of "[Shionogi Health Declaration 2018](#)" including achievement of non-smoking in business sites aiming to bring the number of our colleagues who are smokers and persons with life-style related diseases to zero. These activities and the results were highly evaluated and led to the current recognition.

We report the Company's commitment to health management in detail in "[EHS Report 2019](#)" (p.45 - 46).

Shionogi believes that it is essential for our colleagues and their families to have healthy and fulfilling days to attain the Company Policy, to "supply the best possible medicine to protect the health and wellbeing of the patients we serve". The Company will continue to carry out our social responsibility by further promoting active commitment to health improvement.
