

## **Notice of Transition to Company with Audit and Supervisory Committee and the Candidates for Directors After the Transition**

**OSAKA, Japan, March 24, 2025** - Shionogi & Co., Ltd. (Head Office: Osaka, Japan; Chief Executive Officer: Isao Teshirogi, Ph.D.; hereafter "Shionogi") is pleased to announce as follows that, at a meeting of its Board of Directors held today, it was resolved that it will transition from a company with a Board of Corporate Auditors to a Company with an Audit and Supervisory Committee, subject to approval at the 160th Annual General Meeting of Shareholders to be held on June 18, 2025. Additionally, in conjunction with the transition to a Company with an Audit and Supervisory Committee, we have decided on the candidates for directors to be proposed at the 160th Annual General Meeting of Shareholders, as detailed below.

### **1. Purpose of Transitioning to a Company with an Audit and Supervisory Committee**

#### **i. Purpose of Transitioning**

By transitioning to a company with an Audit and Supervisory Committee, we will further strengthen oversight over the representative director within the Board of Directors, and on that basis, establish a framework that enables the Board of Directors to determine and distinguish between proposals that should be left to the executive side and proposals that should be discussed by the Board of Directors, thereby enabling the Board to focus on discussing medium- to long-term company-wide strategies with an emphasis on maintaining a balance with each stakeholder and to delegate authority to expedite decision-making.

The Audit and Supervisory Committee will use its authority and the internal auditing division to more closely monitor and oversee the overall decision-making process of the executive side.

While maintaining a Board of Directors with a majority of outside directors and ensuring diversity of skills, etc., we will develop a framework to facilitate the election of additional executive directors with knowledge and experience of Shionogi's business, with a view to promote globalization and business model transformation.

#### **ii. Timing of Transitioning**

**Timing of Transitioning to a Company with an Audit and Supervisory Committee**

We plan to transition to a company with an Audit and Supervisory Committee following the approval of the necessary amendments to the Articles of Incorporation at the 160th Annual General Meeting of Shareholders to be held on June 18, 2025.

### **2. Candidates for Directors after Transition to a Company with an Audit and Supervisory Committee**

#### **i. Candidates for directors (excluding directors who are audit and supervisory committee members)**

| Name             | New Position  |
|------------------|---|

After stepping down, Ms. Takuko Sawada will continue to serve as Vice-Chair, mainly responsible for external affairs.

3. Other

Other details including specific amendments to the Articles of Incorporation following the transition to a Company with an Audit & Supervisory Committee will be disclosed as soon as they are determined..

**Forward-Looking Statements**

*This announcement contains forward-looking statements. These statements are based on expectations in light of the information currently available, assumptions that are subject to risks and uncertainties which could cause actual results to differ materially from these statements. Risks and uncertainties include general domestic and international economic conditions such as general industry and market conditions, and changes of interest rate and currency exchange rate. These risks and uncertainties particularly apply with respect to product-related forward-looking statements. Product risks and uncertainties include, but are not limited to, completion and discontinuation of clinical trials; obtaining regulatory approvals; claims and concerns about product safety and efficacy; technological advances; adverse outcome of important litigation; domestic and foreign healthcare reforms and changes of laws and regulations. Also for existing products, there are manufacturing and marketing risks, which include, but are not limited to, inability to build production capacity to meet demand, lack of availability of raw materials and entry of competitive products. The company disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise.*
