Shionogi & Co., Ltd. (Head Office: Chuo-ku, Osaka; Chief Executive Officer: Isao Teshirogi, Ph.D.; hereafter, the "Company"), as described in the "Notice of Commencement of Tender Offer for Shares of TORII PHARMACEUTICAL CO., LTD. (Securities Code: 4551)" published by the Company on May 7, 2025 (as amended thereafter) (hereafter, the "Company Press Release Dated May 7, 2025"), conducted a tender offer (hereafter, the "Tender Offer") from May 8, 2025 for all shares of the common stock of TORII PHARMACEUTICAL CO., LTD. (hereafter, "TORII PHARMACEUTICAL") listed on the Prime Market of Tokyo Stock Exchange, Inc. as of the same date (hereafter, the "TORII PHARMACEUTICAL Stock") (excluding the 15,398,800 shares of the TORII PHARMACEUTICAL Stock held by Japan Tobacco Inc. [hereafter, "Japan Tobacco"], the parent company and the largest shareholder of TORII PHARMACEUTICAL, as of the same date [shareholding percentage (Note): 54.78%; hereafter, the "Shares to be Sold"] and the treasury shares held by TORII PHARMACEUTICAL) as part of the series of transactions intended to make the Company the sole shareholder of TORII PHARMACEUTICAL and to take the TORII PHARMACEUTICAL Stock private (hereafter, the "Transactions").

As a result of the Tender Offer, as described in the "Notice of Results of Tender Offer for Shares of TORII PHARMACEUTICAL CO., LTD. (Securities Code: 4551)" published by the Company on June 19, 2025 (hereafter, the "Company Press Release Dated June 19, 2025"), the Company acquired 10,977,091 shares of the TORII PHARMACEUTICAL Stock (shareholding percentage: 39.05%) as of June 25, 2025, which is the commencement date of settlement of the Tender Offer, and on the same date, TORII PHARMACEUTICAL became an equity-method affiliate of the Company, which holds a total of 10,977,092 shares of the TORII PHARMACEUTICAL Stock (shareholding percentage: 39.05%).

Note: The "shareholding percentage" of a certain number of shares of TORII PHARMACEUTICAL means the percentage the relevant number of shares represents with regard to the total number of issued and outstanding shares of TORII PHARMACEUTICAL as of March 31, 2025 (28,800,000 shares), as set forth in the Financial Results for the First Three Months of Fiscal Year Ending December 2025, released by the TORII PHARMACEUTICAL on April 25, 2025, less the number of treasury shares held by TORII PHARMACEUTICAL as of that same date (688,848 shares) (28,111,152 shares) (rounded to two decimal places; the same applies hereafter to all calculations of shareholding percentages).

As described above, the Tender Offer was successfully completed. However, the Company was not able to acquire all shares of the TORII PHARMACEUTICAL Stock (excluding the Shares to be Sold held by Japan Tobacco and the treasury shares held by TORII PHARMACEUTICAL) in the Tender Offer. Therefore, as described in the "Notice of an Extraordinary General Meeting of Shareholders for Stock Consolidation, Abolition of Provisions on the Share Unit Number, and Partial Amendments to the Articles of Incorporation" (in Japanese only) published by TORII PHARMACEUTICAL on July 10, 2025 (hereafter, the "TORII PHARMACEUTICAL Press Release Dated July 10, 2025"), TORII PHARMACEUTICALS, at the Company's request, resolved at its Board of Directors meeting held on July, 10, 2025, to convene an extraordinary general meeting of shareholders scheduled for August 8, 2025 (hereafter, the "Extraordinary General Meeting of Shareholders") and to submit to the Extraordinary General Meeting of Shareholders a proposal to implement a stock consolidation effective as of today (hereafter, the "Stock Consolidation").

Subsequently, as described in the “Notice of an Extraordinary General Meeting of Shareholders for Stock Consolidation, Abolition of Provisions on the Share Unit Number, and Partial Amendments to the Articles of Incorporation” (in Japanese only) published by TORII PHARMACEUTICAL on August 8, 2025, the Stock Consolidation was approved at the Extraordinary General Meeting of Shareholders. Accordingly, TORII PHARMACEUTICAL implemented the Stock Consolidation effective as of today, resulting in Japan Tobacco and the Company becoming the only shareholders of TORII PHARMACEUTICAL.

In addition, as described in the TORII PHARMACEUTICAL Press Release Dated July 10, 2025, the Transactions included a plan for TORII PHARMACEUTICAL to acquire the Shares to be Sold held by Japan Tobacco (hereafter, the “Treasury Share Acquisition”) after the Stock Consolidation has taken effect.

Then, at the extraordinary general meeting of shareholders held today, it was resolved that TORII PHARMACEUTICAL would implement the Treasury Share Acquisition. We hereby announce that, as of today, which is the date of implementation of the Treasury Share Acquisition, the above resolution has completed the series of transactions constituting the Transactions as described in the Company Press Release dated May 7, 2025, resulting in TORII PHARMACEUTICAL becoming a wholly-owned subsidiary of the Company.
