

## Cookie Notice

We use cookies to improve your experience with our websites and to statistically understand the usage status.

Cookies do not contain any personal information about you and therefore cannot be used to identify who you are.

### What are cookies

Cookies are small data files that are sent from the web server and stored on your device such as a computer, tablet or phone when you visit a website. When you access the same website again, Cookies allow the web server to identify the previous usage status of your device.

### Why we use cookies

We use cookies to deliver you the following experience:

- Preventing you from seeing the Cookie message multiple times
- Retention of your changes of text size and other parts in our website
- Google Analytics: We use Google Analytics cookies to collect information about how visitors use our website. Google analytics stores information about what pages you visit, how long you were on the site, how you got here and what you click on. We do not store your personal information so this information cannot be used to identify who you are. Google provides more details on their [Google privacy and cookie policy page](#). Google also provides a [browser add-on](#) which allows you to opt out of Google Analytics across all websites.

### Managing your cookies

You can change your web browser settings to prevent cookies from being sent to your computer. Please be aware, however, that this may result in the loss of certain functions of the website.
